## 機構介紹 About Us

「親子王國環保教育基金」於2008年4月成立，致力親子教育和支援，深信良好的親子關係能促進孩子的成長發展和開創美好的將來。

為了進一步伸延這個使命，讓下一代能於健康環境成長，親子王國環保教育基金希望透過推動環保教育，讓孩子從小開始關注生態，並從小做起參與保護環境。

“Baby Kingdom Environmental Protection Education Fund” was established in April, 2008. We devote our efforts to parent-child education and support. We believe good parent-child relationship can contribute to a child's growth and pave a way to their happy future.

In order to further extend this mission and enable the next generation to grow in a healthy environment through environmental protection education. Baby Kingdom Environmental Protection Education Fund draws children's attention to the ecology since childhood, and encourages their participation in environmental protection.

## 成立宗旨 Our Objectives

**1** 推動本港環保教育工作  
To promote environmental education in Hong Kong

**2** 致力讓孩子從小建立關注生態和愛護環境的概念  
To develop ecological awareness and environmental protection concept from childhood

**3** 培育孩子建立正確的價值觀：珍惜生態資源和承擔社會責任  
To build a positive attitude of children: Save ecological resources and undertake social responsibility

**4** 為下一代建立一個可持續發展和健康的生活環境  
To establish a sustainable and healthy environment for our future generations
